STAR SECRET

If you're looking to go off the beaten path in Goa, I recommend a meal at Sunbeam in the village of Assagao. It is the home of designer Jivi Sethi... Set amidst terraced gardens and filled with incredible art and antiques, it is a mind-boggling shrine to design and style. The chef at Sunbeam, Krishna, is an artist. The last time I ate there I binged on *Chilled Melon Soup with Prawns and Mint*, *Clams Tossed with Angel Hair Pasta*, and *Tender Coconut Pudding with Ginger & Dark Chocolate Ganache*. Every dish was lip-smacking delicious!
